

K

in the Classroom!

Oak Valley
Elementary

Daily Schedule

- We anticipate full day Kindergarten for the 2021-2022 school year. Hours for full day K are 8:25 to 2:00. Hours for full day TK are 8:25 to 1:30.
- K drop off/pick curbside in front of the kindergarten buildings from 8:10-8:25 a.m.
- It is possible you will need to complete screening questions EVERY morning before drop off using the app. posted on Parent Square.
- If your child is in a car seat, K parents may briefly exit their cars to unbuckle children and give a hug goodbye at the curb. Currently no parents are allowed on campus; however, this may change.
- Avoid congregating at pick up/drop off time; plan to pick up curbside.

One of our
Kindergarten rooms!

Masks

It is highly likely the mask mandates will continue. Currently, masks are be worn at ALL times by students and staff. Students will take off masks while eating snack and then put them back on before playing at recess time.

Handwashing and More!

Assuming we have a full day schedule, students will bring a small snack to eat at recess time and also have lunch at school. We have a large area for eating and a trough for handwashing. Snack, recess and lunch times will be staggered to minimize numbers and maintain safety.

Fresh Air

We will have lots of fresh air in the classrooms. Doors and windows will be open for ventilation. Always send your child with a jacket or sweatshirt labeled with your child's name. Heaters will be on, but it can still be chilly in the mornings!

Each classroom will have their own designated bathroom to help us maintain cleanliness and safety for all students.

Toilets are sized for our youngest learners. Children will be assisted and monitored for handwashing at sinks located within each classroom.

What to do
next!

Screening!

**Welcome to Oak Valley
Kindergarten and Transitional Kindergarten**

Please help us make your child's transition to school at Oak Valley the best possible by answering the following questions and having your child complete our screening. Thank you!

Basic Information

Put an X on each shape your child chooses. <div style="display: flex; justify-content: space-around; align-items: center;">  </div> <div style="display: flex; justify-content: space-around; align-items: center; margin-top: 10px;">  </div> <div style="display: flex; justify-content: space-around; align-items: center; margin-top: 10px;">  </div>

This Summer...

Please have your child practice doing things independently. Practice is golden!

- opening and closing his/her backpack
- opening things up for snack/lunch
- self-care such as how to wipe his/her bottom and wash hands
- wearing a mask, well fitted, covering both the nose and mouth

*We will be practicing handwashing and mask wearing at school too of course, but the more your child can do for him/herself the better. With practice, your child will have an easier time transitioning to in person school!
